

East Region VIRTUAL CARE CLINIC

The **East Region Virtual Care Clinic (ERVCC)** ensures patients (with or without a healthcard) can **access timely care** by providing **virtual care appointments** for those across **Ontario Health's East Region** (see map below for the area the ERVCC services).

Durham Community Health Centre is the East Region Hub for this Ministry of Health-funded program.

In addition to providing urgent virtual care, we can also assist with:

Patients Seeking a Primary Care Provider

If patients do not have a family Doctor, we will provide information on **how to find a family Doctor, Nurse Practitioner or specialist** using Health811.

Emergency Care

If we feel a patient is in need of emergency care, **we will work with local hospital systems** to refer them to their **Emergency Department.**
